Winthrop resident Beverly Brody Barisano and other local artists with the idea of promoting the arts in the community founded the Winthrop Art Association in 1969.

In the years since then, the Winthrop Art Association has grown to more than 150 members, and engages in a wide variety of activities that benefit both the artistic community and the town as well.

*The Annual Spring Arts Festival*, the main component of which is a juried exhibit featuring members of the WAA and artists of surrounding communities. In addition, craft tables, artwork in all mediums round out a two-day event that invites and involves the community in Spring Art Festival.

*A Scholarships for Excellence in Art*, given by the WAA to graduating Winthrop High School seniors for further education in the arts.

*Demonstrations Meetings* 3-4 times a year, from October through April, featuring demonstrations or lectures by artists in different media and in June an annual meeting.

*Day Trips* in the Fall and Spring in the New England area to Museums etc. and Lunch somewhere special.

*Art on the Square and Art At Crest Ave. Park*, this is where the artists and crafters set-up in the center to town and in the Highlands on two separate Saturdays in July and August for the purpose of an outdoor show and sale for our members.
